MEDIEVAL
WEAPON SET

THANK YOU

Hello, thanks for purchasing the Medieval Weapon Set or some off weapons part of the Set.

Features;

- This set has 128x128 256x256 512x512 1024x1024 2048x2048 4096x4096 textures.
- .fbx, .obj, .dae,
.unityasset(HDRP & URP)

For Unity users;

This set have a two version, textured and colored. You can choose one of the 2 versions from the prefab file.

The texture-based prefab uses 4096x4096 textured material by default. If you want to change this or use the lod system, you can find options from 128x128 to 4096x4096 in the material file.
